

To the Board of Directors,

My name is David Lockard and I am a 26-year veteran of Hyatt Hotels, currently serving as General Manager of Resort at Squaw Creek. I have had the privilege of working in three other ski resort towns including Beaver Creek Colorado, Park City Utah and Incline Village Nevada. I have gained a deep respect for how important the environment is around us and how we need to balance that with being in a tourist area.

I am looking forward to growing some roots in the area and doing my part to help the Association with the many tasks that lay ahead of us. I understand the many challenges our industry is facing, including hiring, employee housing and many other infrastructure needs. I'm ready, willing and able to work hand in hand with the rest of the Board, should I be elected.

Thank you for your time and I look forward to gaining new friendships and business relationships during my time here in Tahoe.

Regards,

David Lockard
